ON THE COVER

THE ARROWHEAD MINE Tram's leased eight ton Porter switches cars at Fiddletown, California on a warm summer evening. This issue focuses on narrow gauge with features on Jerry Kitts' On3 Diamond Springs & Fiddletown Railway (including the Arrowhead Mine Tram) and Bob Webber's Sn3 Colorado & Southern. Russ Reinberg built the On3 Grandt Line Porter and Downtown Deco structures on the cover. Jerry Kitts assembled the Design-Tech rolling stock, and Steve Crise photographed the scene. The article begins on page 45.
