ON THE COVER

OLD NUMBER 22 drifts out of the yard as the golden rays of dawn filter through the trees. The almost minute size of the 1:48 scale scene may surprise you. It is on a one by six foot switching diorama. The story about the layout begins on page 38. Russ Reinberg built it, Mac McCalla and Larry Larsen contributed modified Bachmann On30 Moguls and rolling stock. Russ Reinberg shot the cover photo.
