## ON THE COVER

THE D&RGW K-27 "Mudhen" is among the most popular of all narrow gauge locomotives. It served the Rio Grande for sixty years and one is still under steam in Chama, New Mexico. Steve Crise photographed Accucraft Trains' new 1:20.3 scale brass import letting off steam at dusk. Our feature on the model and its prototype begins on page 36.

Finescale Railroader (ISSN 1090-3518) is published bi-monthly by Westlake Publishing Company, 1574 Kerryglen Street, Westlake Village, CA 91361. Subscription Rates: (United States) \$24.00 per year.
